responsible for provided at the drained at the drained and the service. NHTC is not responsible for configuring customer owned equipment such as PC's, network routers, etc., although limited support may be offered. NHTC is not responsible for problems arising in customer's computer equipment during installation or maintenance of DSL service by NHTC personnel.

Payments are due by the 24th of each month. Payments received after the 24th will result in a 1.5% late fee per month (an annual percentage rate of 18%). In addition, payments not received within 45 days of bill date will result in disconnection of your service. If your service is disconnected, you will be responsible to pay the amount owed plus a \$25.00 reconnection fee and a \$75.00 deposit.

If payment has not been made within 15 days of disconnection, the account will be considered delinquent. If the account becomes delinquent, the customer shall pay all attorney fees and costs associated with collection of the account plus all attendant collection fees whether litigation is initiated or not. Information on this application may be used for collection purposes by us or an agency with which we have contracted including but not limited to collection attempts made to your cell phone.

By signing below, you are indicating that you have read, understood and agreed to the information provided above and that you agree to abide by the Acceptable Use Policy and Internet Rules and Regulations Policy.
